EDITORIAL

What Do You Do On Friday Nights?

There seems to be considerable concern about how students are spending their free evening time. This publication has printed many anti-drinking articles and will probably print more. Why do students of this campus need to drink in order to have a good time? I realize that not all students on campus drink; however, at a small college such as this, most social activities that are not college sponsored seem to revolve around alcohol, in spite of the alcohol policy. Why are students wasting money to go off campus to have a good time? With their tuitions, all students pay a twenty-two dollar activity fee that is used to provide on-campus entertainment. This entertainment includes pub events, cultural events, sports events, and movies. The only events that are college sponsored and provide alcohol for legal-aged students are Friday night dances in the Gull's Nest Pub. However, the pub dances are not well attended although the cost is only fifty cents for admission; free popcorn is provided and soft drinks are available; a deejay is paid to play popular music; and, there is plenty of room on the dance floor. This is a considerable contrast to the favorite night spot "The Phoenix." It cost 4 dollars for non-drinkers to gain admission and one dollar for drinkers. There are no other refreshments available but alcohol. The dance floor is rather small and the aisles around the bar are impassable at times.

It is understandable that students go to The Phoenix on Thursday nights that are void of pub events and on Saturday nights. There isn't a lot to do. But where are students on Friday nights? The pub is not well attended, but neither is The Phoenix. What kind of activities do the students of this campus want in order to keep them on campus?

Letter to the Editor Apathy About Bowling

Dear Editors,

Since December of 1984 when the Salisbury State Inter-collegiate Bowling Team was started the small group of dedicated students have fought an independent uphill battle. According to their bowling coach, "Our hardest battles aren't in competition, but with the faculty and financing. The team has a national record of 12-1 and is No. 1 in the east, if we could have just 1/10 that much support our team possibilities would be limitless."

The college funds only 24% of the bowling teams expenditures and receives 100% of the recognition. That 24% makes the bowling team far and away the least funded intercollegiate sports team, which despite it having the best record of the campus intercollegiate sports teams, the faculty seems unwilling to change their ways. Each team member has contributed over \$320.00 to keep the team going. This is a pathetic statement about the athletic department considering almost all other sports are funded 100% by

the college, leaving each individual member of other teams to pay nothing. Of the 16 inter-collegiate bowling teams in the east conference, SSC is the poorest funded despite being the highest rated. Without more college funding, the team members will have to continue giving up large amounts of money. Clearly, it is the college's responsibility to pay. One member of the club states "Aside from Dorothy Fleming, who travels in competition with the team as an advisor, no other faculty member has been willing to give their time to help the team."

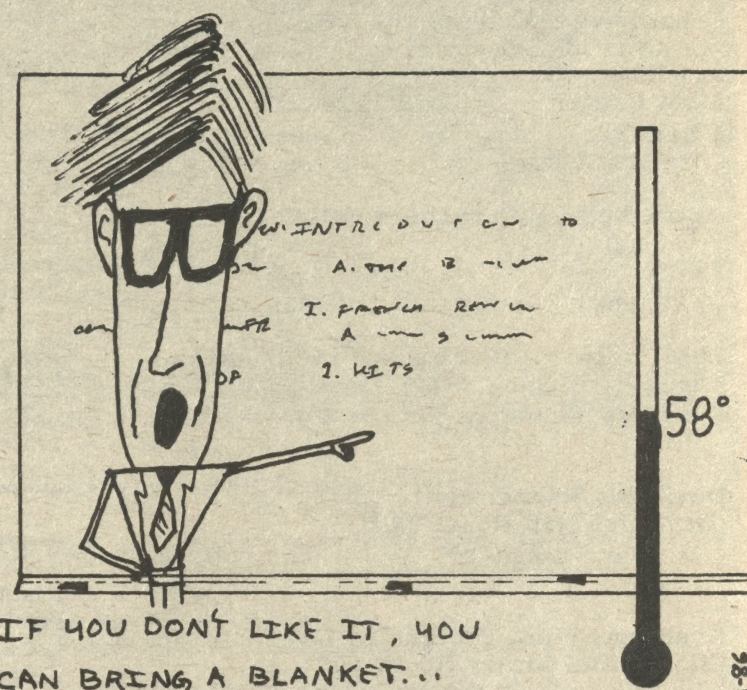

In conclusion, if the faculty isn't willing to fund this team as its funds every other inter-collegiate sport, the college may lose the most powerful inter-collegiate bowling team on the East Coast. Special thanks to Dorothy Fleming and each member of the intercollegiate team, for your dedication and stamina in fighting a two-fronted battle.

Summer Jobs

Looking for a summer job? If not, it's not too soon to start looking. As a service to the students and community, SSC is holding its 1st SUMMER JOB FAIR. It will consist of employers from Ocean City looking for qualified, conscientious workers for the summer of '86. Some of the employers are as follows: Phillips Crab House, Alaska Stands, Plata Grande (New Restaurant), O.C. Dunes, Style Guide, Delaware YMCA, J & N Marketing, Classic Roses and others. Also, some

local companies will be here interviewing and taking applications. Applications will be taken for student laborers to build Chesapeake II and various camps and state parks.

The 1986 Summer Job Fair will be held March 3 from 10:00 am to 4pm in the College Center in the Chesapeake Room. This is SSC's first job fair and participation will determine whether this will become an annual event. We hope to expect a large turnout of students.

Change in NTE Certification Date

The Maryland State Department of Education has mandated that new teachers must pass the National Teacher's Examination beginning in July 1987 instead of July 1988 as previously required. Individuals will be required to take the Core Battery Tests and a Specialty Area Test before obtaining teaching certification in any field.

The requirement will institute the testing requirement with a no-fault (must take, but not must pass) period extending from April 1, 1986 to June 30, 1987. After July 1, 1987 those seeking initial certification will be required to achieve specific scores on each test.

Students planning to graduate after December 1985 should be

aware of this requirement and plan to register for the necessary tests. Salisbury State College has been approved as an NTE Test Center, and all tests will be administered at this site.

There will be two test dates during the Spring-Summer sessions, one in April and one in June. Since registration is required well in advance of the test date, students should pick up the NTE Bulletin of Information at the Education Office, Caruthers 152, as soon as possible.

Questions about the tests may be directed to Mr. Al Constantine, Director of Field Experience, Caruthers 150, extension 6277.

I.D. Cards

Full time students without a permanent identification card may obtain them at the first office on the right at the dock entrance door at Powell Dining Hall. Please bring identification with you to obtain your school I.D.

Pictures for the permanent school I.D. cards will be taken Noon to 2:00 p.m. and 4:00 to 5:00 p.m. on February 20, 21, 25 and 26.

Rolfe Wins Bahamas Trip

Salisbury State student Bob Rolfe won the second annual Sea Gull indoor airplane contest at halftime of the men's basketball game on Saturday and captured the free trip for two to the Bahamas.

Rolfe, a sophomore from Rochester, NY, won the contest in a sudden death flyoff against Cliff Moss and Dean Mitchell. The three playoff contestants were the only pilots out of thousands to put their airplane in the container at midcourt. Rolfe, who also wrestles on the SSC team, put his airplane closest to the target in the playoff.

Rolfe wins a free trip for two, including three nights at the Holiday Inn, to Freeport, Bahamas.

Show Band

The SSC Seagull Show Band has its premiere performance on Saturday, September 13, 1986. This is the first call for all interested students to participate in this special occasion. The talents of many people are necessary in the formation and continuance of the organization.

The core of the unit is of course musical, therefore, musicians are a top priority, including all woodwind, brass, and percussion instrumentalists. A nucleus of experienced personnel is mandatory for the success of any performance group, yet there are openings for individuals who are searching for a new experience and who are willing to be trained.

Visual enhancement of the music being performed is a traditional feature of the marching unit and is an area that often includes flag and rifle corps, majorettes, pom poms, hi-steppers, etc. The integration of the musical and visual aspects are then dependent on a strong nucleus of personnel who have or would like to have experience in these areas.

A leadership team and support staff includes the Director, Graduate Assistants, Section or Auxiliary Instructors and Coaches, Drum Majors, Librarians, Helpers, etc. Quite logically, past experience is a prerequisite to one of the leadership positions however, the support staff can consist of interested parties willing to adapt to specific duties.

So, as you can see, this endeavor demands the participation and commitment of a large and variable assembly of talented students and supportive personnel. Herein this is the first call for all qualified and/or interested students to become a part of this special event. A meeting will be held on Thursday, February 27, 1986 at 4:00 p.m. in the Nanticoke Room of the College Center to provide pertinent information and determine the degree of interest among students on campus. For more information see the advertisement in this issue or call Dr. Thomas G. Elliott, Department Chairman or Dr. Charles F. Smith, Jr., Show Band Director at extension 6385.

S.O.D.S. - A New Idea

By Wayne Ackerson

A program geared toward student organizations will begin February 24 with a workshop entitled "Membership Recruitment and Retention", with other workshops to follow on March 4th and April 16. The initial workshop will start at 8:00 p.m. in the Nanticoke Room of the College Center, and is sponsored by ZTA.

The program, called Student Organization Development Series, was developed by students and is designed to offer a forum for any ideas, information, and issues relating to student organization development. All members of student organiza-

tions are eligible to register for the workshops, and organization advisors are also welcome.

Registration forms are available at the College Center of- fice room 104, and should be submitted at least one week before the workshop date. All individuals who participate will be awarded certificates.

The upcoming March 4 workshop, titled "Campus Resources/Publicizing Events" will be sponsored by the Little Sisters of SAE, while AST will be sponsoring the April 16 workshop, "Delegation of Responsibility."

"I'm Driving"

Salisbury State College, in conjunction with the Lower Shore Prevention Resource Center and Parks Wholesale, Anheuser-Busch, is promoting the "I'm Driving" campaign. The "I'm Driving" idea is simple. When going out to party, one person from your group agrees to be the

"designated driver," and simply refrains from alcoholic beverages for the night. "I'm Driving" buttons can be picked up, free of charge, in the Health Center, Health Education Office (Taves 113), or the Prevention Resource Center (HH 336).

"Cabaret"

Twenty years ago, "Cabaret" burst upon the Broadway musical scene, stunning audiences with its renderings of a carefree but corrupt Berlin on the eve of Hitler's ascendancy. In so doing, "Cabaret" garnered eight Tony Awards, Broadway's highest honor.

Later made into an Oscar-winning movie starring Liza Minnelli, this masterwork of the American musical theatre opens on Friday, March 7, at 8 p.m. for six performances in Holloway Hall Auditorium.

It also plays at 8 p.m. on Saturday, March 8, and Thursday through Saturday, March 13-15. One matinee is scheduled for Sunday, March 9, at 2 p.m.

Writing in *The New York Times*, Walter Kerr called "Cabaret" a "stunning musical" and "brilliantly conceived."

In *Newsweek*, Richard Gilman wrote, "(Cabaret) is serious, which is to say it accepts the premise that mature themes aren't inimical to the musical genre. At its best it is also fun in a salty, grown-up—sensual, elaborate, honest and yeasty, full of accurate perceptions, translated into sharp and savory theatre."

Based upon Christopher Isherwood's *Berlin Stories*, "Cabaret" is the tale of a young American novelist who comes to Berlin in 1929, hooks up with an amoral English girl and looks on as Germany moves towards its down.

Morgan Choir Sings at SSC

The world renown, 65-member Morgan State University Choir will present a free concert in Holloway Hall Auditorium on February 20, 1986 at 8:00 p.m. This outstanding organization has given recitals at some of the most prestigious musical halls in this country, including the Concert Hall of the Peabody Conservatory of Music, the Meyerhoff Symphony Hall and the Lyric Opera House, all located in Baltimore, and the Kennedy Center for the Performing Arts in Washington, D.C.

The Morgan State University Choir is under the direction of the distinguished musician and composer, Dr. Nathan Carter, who is also the Professor of Music at Morgan. This concert is being sponsored by the Black Student Union as part of its annual celebration of Black History Week at Salisbury State College. This affair is open to the public without an admission fee.

A reception, including food, will be held in the Social Room of Holloway Hall at the conclusion of the Concert. The reception is free and open to everyone.

The action of the play centers on the garish Kit Kat Klub, a tawdry nightspot presided over by an ominous Master of Ceremonies—a role in which Joel Grey catapulted to fame.

With a book by Joe Masteroff and music and lyrics by John Kander and Fred Ebb, "Cabaret" was voted best musical of the 1966-67 season.

In the College production, Paul Lewis (Alan Strang in "Equus") plays the Master of Ceremonies; Martha Hutchins - the English singer, Sally Bowles; Ralph Rush - the young American novelist; Christine Lococo - Fraulien Schneider; and Christ Harris - Herr Schultz.

Paul Pfeiffer of the Communication Arts faculty directs; Drs. Charles Smith and Ray Zeigler of the Music Department are musical and vocal directors, respectively; choreography is by Kathy Martin of the Physical Education, Recreation and Athletics Department; set and lighting design are by Gerald Patt of Communication Arts; and costume design is by Elsa Brown.

Tickets are \$4; for students and senior citizens, \$2. Group rates are available for parties of 10 or more. For reservations and information, contact the College's Theatre Box Office in Caruthers Hall at 543-6228. Tickets also are available through the College Center Information Desk.

Bus Trip

A bus trip is scheduled to the National Gallery of Art in Washington, D.C., on Friday, February 21, to see "The Treasure Houses of Britain" exhibit. This priceless collection of art and furnishings from the Britain "country house" represents five centuries of elegant living. Prince Charles and Diana, Princess of Wales, opened the exhibit.

Sign-up is at the College Center information desk. The cost is \$10 for full-time students and \$12 for part-time students, faculty, staff, alumni and guests.

The bus departs Maggs Gym at 7 a.m. and returns around 7 p.m. The fee includes transportation and Acoustiguide rental.

The trip to this once in a lifetime display is sponsored by the Faculty Cultural Affairs Committee, the History Department and the Honors Program.

Major League Preview-American League East

By Wayne Ackerson

The upcoming 1986 baseball season in the major leagues promises to be an exciting and a tight one. With the continuing maturation of such players as Dwight Gooden (Mets), Bret Saberhagen (Royals), Tom Browning (Reds), and Tim Lincecum (Expos) and the probable emergence of any number of new superstars, this season will also see several changes as far as the pennant races are concerned.

First, we'll look at the American League East division, probably the tightest pennant race.

BALTIMORE ORIOLES - Although a rather poor finish last year (83-78) was frustrating, the problem has been pretty much diagnosed as a team-wide pitching slump. Since the rotation pitchers had never before had such mediocre seasons, manager Earl Weaver has to be expecting a turn-around. Mike Boddicker, Scotty McGregor and Mike Flanagan should all return to form as previous 20-game winners, and can expect help from Ken Dixon and from veterans Storm Davis and Denny Martinez.

With the trade of Sammy Stewart to Boston, the bullpen rests with Don Aase, Tippy Martinez and Nate Snell. The acquisition of Rich Bordi should strengthen the staff considerably.

Rick Dempsey will return as catcher and will probably share it with switch-hitting Al Pardo, and possibly Floyd Rayford. Rayford however, will probably be positioned at 3rd base and join regulars Cal Ripken and Eddie Murray in the infield. 2nd base will be played by Alan Wiggins. Expect 45-60 stolen bases from Wiggins.

The outfield will hold Lee Lacy, Fred Lynn, and probably Mike Young. John Shelby and Larry Sheets will see some action as DH, but that will rest primarily with recently signed Juan Beniquez. Reserves Rex Hudler and Wayne Gross will also help out. Even Jackie Gutierrez, a new acquisition may theoretically contribute (despite his 23 errors and .213 BA last year), but where or how I haven't the faintest.

If the pitching turns around at all, Baltimore will have the pennant flying over Memorial Stadium. If not... it will be another long year.

TORONTO BLUE JAYS - An amazingly powerful team, the Jays will rely on their potent outfield of Jesse Barfield, George Bell

and Lloyd Moseby who all have above average throwing arms.

The infield will consist of Tony Fernandez at short, Damaso Garcia and probably a platoon at 1st and 3rd. Third base may be handled by the left-right duo of Rance Mullins and Garth Iorg, who combined for 17 homers last year. Willie Upshaw may split time with young Cecil Fielder, who hit 4 homers and batted in 16 while playing in only 30 games.

The pitching is also strong. The rotation will include Dave Stieb, who led the AL with an ERA of 2.48 last season, Doyle Alexander, Jimmy Key and probably Luis Leal and Jim Clancy. Tom Filer and Dennis Lamp will be middle-inning men, and Tom Henke will be the ace in the pen. Don't rule out, of course, Jim Aker, Bill Caudill, and Gary Lavelle, who combined for 32 saves.

Catcher Ernie Whitt will once again platoon with Buck Martinez, and Cliff Johnson will be the DH.

With a lot of luck, the Blue Jays can win the flag again, but can they rely on the outside luck to come?

DETROIT TIGERS - To contend, the Tigers must improve on defense, plain and simple.

Set in their positions are 2b Lou Whitaker, ss Alan Trammell, and Cf Chet Lemon. Lance Parrish will be the catcher, with several others battling to back him up.

A smart move for Manager Sparky Anderson would be to replace iron-hands Darren Evans (40HR, but 20 errors) at 1b with rookie Mike Laga, who has good power and is better defensively. Let Evans DH against right handers. At 3b, Tom Brookens will be confronted by the likes of Chris Pittaro, a Tiger hope, and Marty Castillo, who can also catch.

With the re-signing of Kirk Gibson the out field shapes up good. Chet Lemon in center and Gibson in right, will leave left field to be filled probably with Dave Collins, over from Oakland, due to his weak arm. He may steal 60 bases, however. This leaves Larry Herndon, Johnny Grubb, and Nelson Simmons as back-ups and good pinch-hitters off the bench.

Pitching will be good, with Jack Morris, Dan Petry, and Walt Terrell all capable of winning 20 games. Even veterans Frank Tanana and Dave LaPoint (from San Francisco) will contribute

many wins each. Relief ace Willie Hernandez will own the bullpen, with Bill Scherrer, rookie Chuck Cary, and Randy O'Neal all somewhat capable of handling trouble as middle-men and spot starters.

With defense, and 1 or 2 20 game winners, the Tigers have a good shot. **NEW YORK YANKEES** - Take the best player in baseball Ricky Henderson (.314, 24 HR, 72 RBI, 80SB), add Don Mattingly and Dave Winfield and what do you get? Mediocrity, that's what.

Willie Randolph will hold 2b, and Butch Wynegar may return as catcher. The acquisition of OF-DH Gary Roenicke may help. Starter Ron Guidry was awesome and fireman Dave Righetti was good as well. Ken Griffey and Henry Cotto will share some OF duties.

If Wynegar does not return, the catching duties fall on Scott Bradley and Juan Espino, neither of whom have learned to hit yet. At ss, Bobby Meachem was barely adequate. At third, Andre Robertson and Mike Pagliarulo were adequate, but inconsistent as well.

The pitching staff has no depth. Ed Whitson, Phil and Joe Niekro, and new guy Britt Burns are all adequate, but not quite good enough. Relievers Bob Shirley and Brin Fisher can start, and are decent, but not true firemen.

Prediction? I don't really mind the Yankees, so hopefully none of this will come to be. However, even the die hard fans don't have time to pray enough. Instead, send roses to rookie manager Lou Pinella.

BOSTON RED SOX - As we go down, we will find the Red Sox. Led by Wade Boggs, Jim Rice, and Tony Armas. The rotation will contain Oil Can Boyd, Roger Clemens, Bruce Hurst, and Al Nipper. Tim Lollar and ex-Met Calvin Schiraldi may help. At first will be Bill Buckner. Earnest Riles at short, and Jim Gartner playing second, the Brewers are pretty much all set. These are all quality players who can be counted on. Even the relatively weak catching slot is okay: Bill Schroeder and Charlie Moore are experienced receivers, as is DH Ted Simmons.

Marty Barrett will be at 2nd, and anyone wanting to play short will probably be signed. For now, Glenn Hoffman will have to do. Rice, Armas, and Dwight Evans will roam the outfield. Mike Easler will DH, as will Mike Tenhouse off of a rather

shallow bench.

Outlook? Well, except for the few outstanding players, everyone is adequate, at best. Get the picture?

MILWAUKEE BREWERS - With Robin Yount and Ben Oglivie in the outfield, Cecil Cooper at 1st, Paul Molitor at 3rd.

Pitching is near hopeless, however. Teddy Higuera and Moose Hass are the only sure bets as starters, and Bob Gibson is decent out of the bullpen. This leaves Ray Burris, Mark Clear, Jamie Cocanower, Chuck Porter, and others to be sorted through. If they produce, which they probably won't, the Brewers could finish higher than fifth.

CLEVELAND INDIANS - Brook Jacoby, Julio Franco, Pat Tabler, and Joe Carter all had good years last season, and Cf Brett Butler's was exceptional. Catching will be Jerry Willard, and Andre Thornton will be the DH. Look for ex-Olympian Cory Snyder to take over 2b, and he also has a shot in the outfield along with Mel Hall, Otis Nixon, and Carmen Castillo, all decent players.

Pitching? Well, take your pick. Jeff Barkley, Ernie Camacho, Jose Roman, Dave Von Ohlen, Neal Heaton, Curt Wardle, among others, are some possibilities. Pick ten at random, and you have the pitching staff, and any ten will be as good (or bad) as any other ten.

Despite the problems, the Indians may not finish last. **NEXT: NATIONAL LEAGUE WEST**

SSC Bowling Team: Alone At No. 1

By Kelly Willison

After sharing the No. 1 position in the East Coast Conference with such teams as Penn. State, Drexel, and Shippensburg, SSC has finally broken the 13 week old deadlock and emerged alone at the top, the new No. 1 team. After the most recent rankings went out which showed SSC at No. 1, the Gull's went on to beat two more teams to increase their conference domination.

February 8: Stockton State came to Salisbury with the hopes of upsetting the East's new No. 1 team but quickly learned why Salisbury was No. 1. Salisbury took the first game easily 928-879 and took the points 4-2. Stockton tried to rally in the 2nd game but still lost 923-916 (3-3 in points). With their momentum broken, Stockton lost again in the 3rd game 885-842 (5-1 in points), for a 2736-2637 victory for Salisbury (13-6 in points). High averages for the day were Kelly Willison 190 and David Kennedy 189.

February 9: Salisbury made it five in a row when they traveled to Harrisburg, Pa. to bowl Penn. State Capital Campus. SSC

blasted to a clean sweep in the first game winning 898-719 (6-0 in points), then 822-780 (4-2 in points) in the second game. With a possible of 19 points to be won in a match SSC had already won by the second game but decided that giving points away was not their style as they went on to win the 3rd game 4-2-1 and total pins of 2581-2226 for the extra point, thereby beating Capital 15-3-1.

According to the latest Region 4 rankings, the standing are as follows:

Rank	Team	W	L	Pctg.
1	SSC	12	1	.923
2	Drexel	8	1	.888
3	Shippensburg	12	2	.857
4	Penn. State	7	2	.777
5	Bloomsburg	8	4	.666
6	Temple	6	4	.600
7	Lincoln	4	3	.571
8	Howard	6	5	.545
9	Maryland	6	7	.416
10	George Wash.	3	6	.375
11	Gettysburg	3	6	.333
12	Stockton	4	8	.333
13	Capitol	3	9	.250
14	Navy	2	7	.222
15	Univ. of PA	1	9	.100
16	Loyola	1	10	.090

Not only is SSC currently ranked No. 1 but they also hold some other conference records. They hold:

High single game 1,110 (Avg. 22 per bowler)

High game bowler: Greg Stallings 300

Highest position ever by a first year team

Highest position ever by a Maryland team

Despite such a powerful first year, SSC Bowling is hoping to become strong, mainly due to their active recruitment of many Maryland's and Delaware's best junior bowlers.

With such a great first year, topping their current accomplishment will be an uphill battle but one the Gull's are ready to conquer.

Wrestling

Last week's results:

SSC closed out its 1985-86 season with a 3-13 record. The match scheduled against Lincoln on February 10 was cancelled.

SSC, 12-8 on the season, lost 75-72 to Catholic. Ron Pritchett continued to lead the Gulls in scoring as he pumped in 23 points to up his season's average to 22.0 points per game. The loss was Salisbury's sixth in the last 10 games.

Pritchett has led or tied for the team lead in scoring in each of the last five games. Over that span he has averaged 24.6 ppg. However, the team's second leading scorer, Dave Pritchett, has averaged just 14.3 ppg over that same span and has seen his average drop to just under 19 ppg.

The Gulls had little trouble defeating St. Mary's earlier in the

Women In Tournament

The junior from Cantonsville, MD was nominated for ECAC player of the week for her performances. She led the Gulls in rebounding against Catholic and in assists versus Shepherd.

Fiedler leads Salisbury State in scoring with a 15.8 points per game average. The 5'6" guard needs just 11 points to become the third women's basketball player to score 1,000 career points.

season at home, winning 96-86. Reggie Alexander had his best game as a Sea Gull in that one scoring a team high 26 points.

SSC also defeated Stockton State in both meetings last season, the latter one at home in overtime.

Pritchett has 246, including 74 this season. . . The Gulls are ninth in the nation in scoring offense with an 83.1 ppg. average.
